

In My Distress (Psalm 120) [Em]

[Coram Deo Church]

Em

In my distress

D

I called to the Lord

Bm

And He answered me

C

in my distress

O LORD,

deliver me

from lying lips

A tongue that's deceitful

In my distress

I called to the Lord

and he answered me

In my distress

Woe to me, that I sojourn in Meshech,
that I dwell among the tents of Kedar!

What shall be given and what shall be done to you?
A warrior's sharp arrows, and glowing hot coals

Too long have I dwelt
with those who hate peace,
I am for peace,
but they are for war!
