

CORAM DEO

NEW COMMUNITY FOOD PANTRY

We're partnering with **NEW COMMUNITY** to provide groceries for at-risk women coming out of incarceration.

New Community is an extension of Good News Jail & Prison Ministry that seeks to help women successfully re-enter into society after incarceration or recovery programs through intentional mentorship and discipleship. Before COVID, New Community held weekly gatherings that included a meal and time of Bible study. During the pandemic, they began delivering groceries to women who were participating in their program.

Throughout 2021 we want to serve New Community by providing groceries for these women! We have space set aside at the church building to create a food pantry and store donations.

You're able to drop off donations any time between **9 AM - 4:30 PM, Monday - Friday** at the church, as well as on Sunday mornings. Below is a list of the specific items needed:
